## Moonbow Releases Three New Air Purifiers on Amazon

REVIEWS AIR PURIFIER, HSIL, MOONBOW LEAVE A COMMENT

---

Moonbow is a new air purifier product range from HSIL Ltd – better known for its Hindware bathroom fittings and other sanitary products. In December it announced that it was launching the new Moonbow air purifiers.

The Moonbow range is available on Amazon and are currently on offer with a 10% launch discount. There are currently three models available:

**Moonbow AP-A8400UIN 55-Watt Air Purifier**
