Moonbow urges India to drink clean water with the launch of their TV Commercial

New Delhi, Feb 17: Moonbow, the umbrella brand from leading Sanitaryware Company HSIL Limited launched their new TVC campaign today 'Ab India Peeyega Achcha' for their water purifiers.

The TVC narrates the story about the innocence of childhood as children from different socio-economic background play together and share water since 'Accha Paani Share Kama Achhi Aadat Hai'. The new TVC

visibly captures Moonbow's initiative to highlight that everybody irrespective of their race, caste or creed is entitled to pure drinking water. Speaking on the new brand campaign, Mr. Rakesh Kaul, President, Consumer Products Division, HSIL Limited, said, "One of the biggest challenges in India today is access to clean drinking water. With this TVC, we perfectly capture the brands commitment towards providing

consumers across India with clean drinking water. The TVC will play on primetime TV slots across general entertainment channels, select English and Hindi news and movie channels from 14th February 2017 onwards."

Translating the product thought of 'Ab India Peeyega Achcha' on to a story line came from the life insight, that children see no barriers. Marrying the same to the aspiration of the brand to make good drinking

water accessible to all. The TVC celebrates and demonstrates the same through its story line. Invoking the emotions of oneness that is fuelled even more in the social fabric of the country today. It is a simple story that begins in the kitchen of a home where a kid takes off to play with a bottle of water from the Moonbow water purifier to the playing field. The kid sees a bunch of boys as spectators, and invites one of them to play, after a demonstration of his skill. S
